

REGNUM4GAMES

BRAND GUIDELINE FOR DESIGNER

ABOUT US

Welcome stranger - to the world of regnum4games!

Our kingdom is built on many different pillars - the graphic design of our world is one of them. This document provides you with a quick overview of the basic rules of the graphic design of our kingdom, our brand. regnum4games is a German e-sports organisation which was founded in 2013 as a multigaming community and has been active in e-sports since 2022. We are all united by our passion for the world of games, but also by our tireless ambition for the cause. Every new member is warmly welcomed into this marvellous digital living room. Here, you are not just a nobody but part of a family characterised by friendship, cohesion and diversity. We all strive towards a larger goal, to transform the gaming world into a better version of itself day by day.

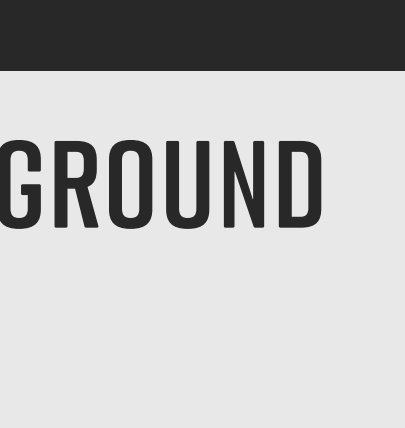

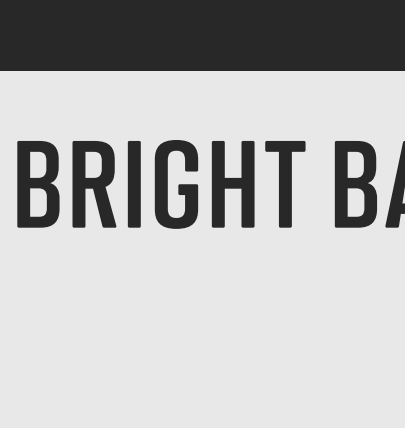

So bow down to your kingdom, your passion, your home - regnum4games.

R4G LOGO'S

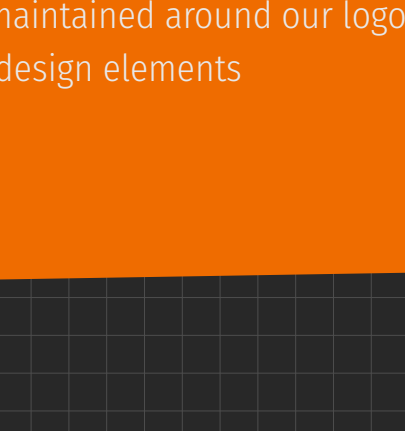

What would a kingdom be without a crown? This logo and its variants symbolise our crown.

They are to be used should regnum4games be presented.

DARK BACKGROUND

BRIGHT BACKGROUND

CLEAR SPACE

The clear space indicates the minimum distance that must be maintained around our logo.

This serves to visually separate the logo from other competing design elements

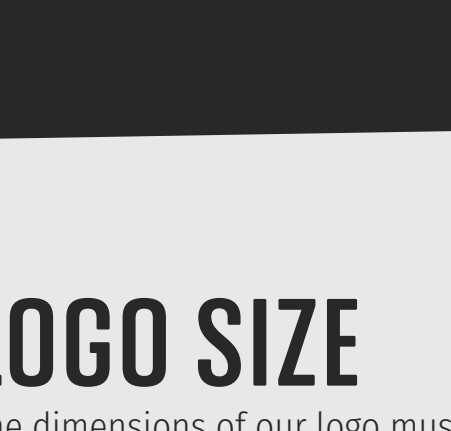

and allow it to develop its full effect.

DONT'S

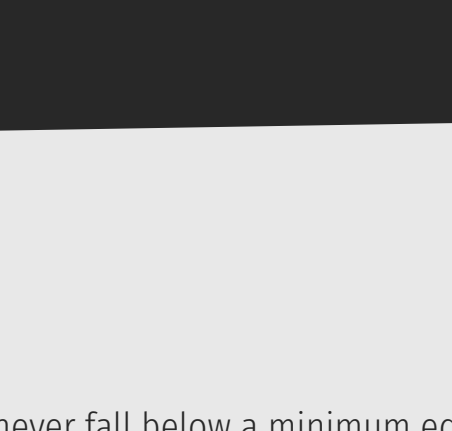

Customisation of the logo and thus the visual appearance is prohibited.

This includes twisting, distorting, mirroring, tilting the logo and more.

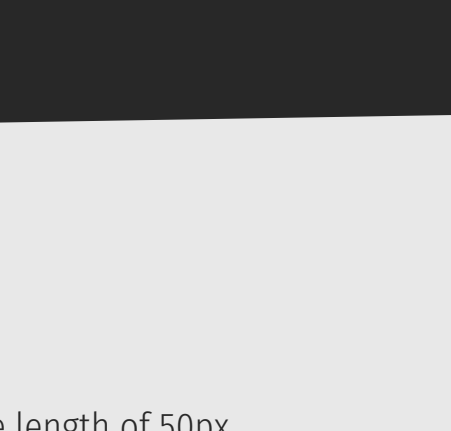

Further examples are listed below.

DONT DISTORT

DONT ROTATE

DONT STRETCH

DONT OVERSCALE

LOGO SIZE

The dimensions of our logo must never fall below a minimum edge length of 50px.

It must also never exceed a maximum edge length of 500px.

Edge lengths of the logo must always be the same.

Anguita Sans is not suitable for continuous
text due to its typeface. But it is
well suited for headlines.

HEADLINE TYPEFACE

This typeface must be used for headings. This applies to both digital and printed publications.

As soon as the font size reaches 20pt, the text must be treated as a headline and handled according to the design rules listed below.
